

part, independent of the warehouse receipts issued to cover such cotton, it shall not be necessary to furnish such statement as is required in this paragraph.

(c) For the purpose of classifying cotton under the regulations in this part, each licensed classifier who holds an unsuspended or unrevoked license under the Cotton Standards Act of March 4, 1923, and regulations thereunder to classify cotton and certificate the grade thereof shall be deemed competent and a license may be issued to him under the United States Warehouse Act upon furnishing the information required by paragraph (b) of this section except as specified in paragraph (c)(3) of this section.

(d) The applicant shall at any time furnish such additional information as the Secretary, or his designated representative, shall find to be necessary to the consideration of his application.

(e) A single application may be made by any person for a license as a sampler, classifier and weigher upon complying with all the requirements of this section.

#### **§ 735.55 Examination of applicant.**

Each applicant for a license as a sampler, classifier and/or weigher and each licensed sampler, classifier and/or weigher shall, whenever requested by an authorized agent of the Department designated by the Administrator, for the purpose, submit to an examination or test to show his ability to properly sample, classify or weigh cotton, as the case may be, and shall also make available for inspection copies of the standards of classification or the weighing apparatus as the case may be, used or to be used by him.

#### **§ 735.56 Posting of license.**

Each licensed classifier shall keep his license conspicuously posted in the office where all or most of the classifying is done, and each licensed sampler and/or weigher shall keep his license conspicuously posted in the warehouse office or in such place as may be designated for the purpose by a representative of the Service.

#### **§ 735.57 Duties of sampler, classifier and weigher.**

Each licensed classifier or weigher whose license remains in effect shall, without discrimination, as soon as practicable, and upon reasonable terms, classify or weigh and certificate the class or weight, respectively, of cotton stored or to be stored in a licensed warehouse to which his license applies, if such cotton is offered to him under such conditions as permit the proper performance of such functions; except that no class or weight certificate need be issued when the class or weight so determined is entered on a receipt by the licensed classifier or weigher making the determination thereof. Each licensed sampler shall sample cotton stored or to be stored in a licensed warehouse for which he holds a license, in accordance with § 735.48. Each licensed sampler, classifier, and weigher shall give preference to persons who request his services as such over persons who request his services in any other capacity. No class or weight certificate shall be issued under the act for cotton not in the custody of a licensed warehouseman for purposes of storage in a licensed warehouse, nor shall cotton not in the custody of such a warehouseman for such purpose be sampled by a licensed sampler acting as such.

#### **§ 735.58 Class certificates; form.**

(a) Each class certificate issued under the act by a licensed classifier shall be in a form approved for the purpose by the Administrator, and shall embody within its written or printed terms:

- (1) The caption "Cotton class certificate";
- (2) Whether it is an original, a duplicate, or other copy;
- (3) The name and location of the licensed warehouse in which the cotton is or is to be stored;
- (4) The date of the certificate;
- (5) The location of the cotton at the time of classification;
- (6) The identification of each bale of cotton by the tag number given to the bale in accordance with § 735.31 or if there be no such tag number by other marks or numbers;

## § 735.59

## 7 CFR Ch. VII (1-1-00 Edition)

(7) The grade or other class, except length of staple, of each bale of cotton covered by the certificate, in accordance with §§ 735.68 through 735.73, as far as applicable, and the standard or description in accordance with which the classification is made;

(8) A blank space designated for the purpose in which the length of staple may be stated;

(9) That the certificate is issued by a licensed classifier under the United States Warehouse Act and regulations thereunder; and

(10) The signature of the licensed classifier.

In addition, the class certificate may include any other matter not inconsistent with the act or the regulations in this part, provided the approval of the Service is first secured.

(b) Form A memorandums and Form C certificates issued by a board of cotton examiners and class certificates issued by licensed classifiers under the United States Cotton Standards Act (7 U.S.C. 51 et seq.) shall be deemed sufficient for the purposes of the United States Warehouse Act and the regulations in this part, if the samples on which they are based were drawn in accordance with applicable requirements of § 735.71, and, in case of a class certificate issued by such a licensed classifier, if the classifier holds an unsuspended and unrevoked license under each of said acts.

### § 735.59 Weight certificates; form.

Each weight certificate issued under the act by a licensed weigher shall be in a form approved for the purpose by the Administrator, and shall embody within its written or printed terms:

(a) The caption "Cotton weight certificate";

(b) Whether it is an original, a duplicate, or other copy;

(c) The name and location of the licensed warehouse in which the cotton is or is to be stored;

(d) The date of the certificate;

(e) The location of the cotton at the time of weighing;

(f) The identification of each bale of cotton by the tag number given to the bale in accordance with § 735.31 or if there be no such tag number by other marks or numbers;

(g) The gross, or net and tare, weight of the cotton and, if the cotton be excessively wet or otherwise of a condition materially affecting its weight, a statement of such fact to which may be added the weigher's estimate of the number of pounds which should be allowed for such condition;

(h) That the certificate is issued by a licensed weigher under the United States Warehouse Act and the regulations thereunder; and

(i) The signature of such licensed weigher.

In addition, the weight certificate may include any other matter not inconsistent with the act or the regulations in this part, provided the approval of the Service is first secured.

### § 735.60 Combined class and weight certificates.

The class and weight of any cotton, ascertained by a licensed classifier and a licensed weigher, may be stated on a certificate meeting the combined requirements of §§ 735.58 and 735.59 if the form of such certificate shall have been approved for the purpose by the Administrator.

### § 735.61 Copies of certificates to be kept.

Each licensed classifier and each licensed weigher shall keep for a period of one year in a place accessible to interested persons a copy of each certificate issued by him under the regulations in this part and shall file a copy of each such certificate with the warehouse in which the cotton covered by the certificate is stored.

### § 735.62 Licensees to permit and assist in inspection.

Each licensed sampler, classifier, and/or weigher shall permit any officer or agent of the Department authorized by the Secretary for the purpose, to inspect or examine, on any business day during the usual hours of business, his books, papers, records, and accounts relating to the performance of his duties under the act and the regulations in this part, and shall, with the consent
